Our Mission: To raise money and donate to organizations actively doing brain tumor research and provide monetary grants to local individuals diagnosed with brain cancer.
In memory of Jess Finlayson, 28-year-old local Math teacher and volleyball coach who passed from Glioblastoma in 2021. ❤️

Our Impact on the community: We have given out \$17,000 in monetary Jess Fin Grants to Lehigh Valley individuals with brain cancer and have donated over \$100,000 to brain tumor research.
